

February 8, 2021

The Kelowna Boat Show has been an annual favourite of the Kelowna community for over 24 years. In 2020, we made the difficult decision to cancel the show as the safety of our community was our number one priority.

With the actively changing circumstances continuing to surround Covid-19, and with the health and safety of our community, exhibitors and colleagues top of mind, we have postponed this year's show to April 30 & May 1, 2022.

As we continue to navigate this difficult situation, we feel strongly that this is an important event for Kelowna, and we will be looking for ways to connect with our community over the upcoming year.

Thank you to each and every attendee, exhibitor and volunteer for your continued support of the Kelowna Boat Show over the past 24 years, and we look forward to connecting with you and planning great events in the future.

If you have any questions, please do not hesitate to [reach out to us](#) at any time.

Wishing you safety and good health,

*Kelowna Boat Show Committee*
